Government Order No. Fl. (B) 4722-4822—L.F.A. 79-51-2, dated 8th February 1952, fixing among other things, the scale of menial staff for offices as two peons for offices employing less than ten clerks and an additional peon for every eight additional clerks.

2. Government Order No. Fl. (B) 5462-5562—L.F.A. 79-51-3, dated 22nd February 1952, issuing certain clarifications to the Government Order read above.

3. Government Order No. Fl. (B) 6884-6964—L.F.A. 79-51-4, dated 31st March 1952, extending the time limit for giving effect to the standard scale of menial staff prescribed in the Government Order dated 8th February 1952, read above up to 1st July 1952, as a special case.

ORDER NO. FL. (B) 1046-1146—L.F.A. 79-51-5, DATED BANGALORE, THE 30TH APRIL 1952.

As certain doubts have been felt regarding the following scales mentioned in the Government Order dated 8th February 1952:—

> "For Offices—Two peons for offices employing less than 10 clerks and an additional peon for every 8 additional clerks",

the working scale may be as under:

> "For Offices—One peon for offices employing less than 5 clerks, two peons for offices employing 5 clerks and above up to 10 and an additional peon for every 8 additional clerks".

Offices should not be split up into sections just to increase the number of servants and the Heads of Departments are requested to co-operate in giving effect to the Government Order and secure economy.

In order to provide for men, who are thrown out, it is desirable that old men who are 55 years of age and above may be retired to avoid hardship to youngmen as far as practicable.

M. SHAMANNA,
Secretary to Government,
Finance Department.
